LOCAL MATTERS.

ON RISE TOMORROW AT 5:35 a. m. and at 6:39. High water at 7:19 a. m. and 7:38 p. m.

WATER PROBABILITIES.—For this section, fair tonight and Saturday; fresh west to southwest winds.

CASES SETTLED.—The tedious litigation between Frances P. Smoot and Harry Kirk, of Alexandria, Va., and James S. Edwards and Enoch L. White, of Washington city, receivers of the Mount Vernon and Marshall Hall Steamboat Company, came to an end this week, the defendants agreeing to pay 50 per cent. of the indebtedness to all costs. The amount claimed is about \$1,800. The case cost up to some \$200. It is now in the Court of Appeals, No. 23 on the present docket and will be dismissed. The plaintiffs to get a settlement had quite an experience. The laying of the attachment after the property had been conveyed to receivers was considered by the latter not only unlawful, but high-handed. Legal steps were not only taken to stop the proceedings, but attachments for contempt were issued against both the plaintiff and counsel, and one of the plaintiffs, Mrs. Smoot, upon whom the attachment was served, was fined \$500. Better counsel afterward prevailed and the attachments were stricken out and the case tried upon its merits, the court, all the judges, sitting, deciding in favor of the plaintiffs as regards the attachments upon the real estate, whereupon an appeal was taken to the Court of Appeals by the receivers, Nathaniel Wilson, of Washington city and F. S. Hill, who were the counsel for the receivers, and Adrian Posey, counsel for Smoot and Kirk.—[La Plata, Md., Independent.

TO LEAVE LYNCHBURG.—The Maryland Methodist Protestant Conference, with which the church in Lynchburg is connected, that has been in session in Westminster, Md., for a week, adjourned on Tuesday night. In the last of its proceedings it is noted that Rev. E. A. Warfield, who for five years has successfully filled the pulpit of the church in this city, has been transferred to Alexandria.

The departure of Dr. Warfield from Lynchburg will be no less a subject of regret to the host of friends he has made here by his ability in the pulpit and his genial and pleasant manners, than to the church which he has so ably and faithfully served. He leaves the church in quite as good condition as he found it, notwithstanding that it has suffered greatly from death and removals; in addition to which, during his pastorate the church building has been remodelled to an extent that places it in the ranks of the handsome churches of the city. A large part of the costs has been paid through his efforts. His wife, a daughter of the late Charles W. Button, was born and reared in this community and will be reluctantly given up by very many warm and attached friends. What in this instance is Lynchburg's loss is gain to the church and community in Alexandria.—[Lynchburg News.

FUNERALS.—Through mistake it was stated yesterday that the funeral of the late Mr. William T. Smith took place that evening. Such was not the case. The funeral took place this evening from the residence of the deceased's father, Capt. W. H. Smith, and the remains were interred in the Union cemetery. Impressive services were conducted by Rev. E. V. Register, of the M. E. Church, and the pallbearers were Messrs. W. A. Moore, Jr., Robert W. Watters, Wilbur Baggett, Wm. Thomas, W. F. Creighton, Jr., and H. K. Field.

The funeral of the late John C. Tallafra took place this evening from the residence of the brother-in-law of the deceased, Mr. T. W. White. The services were conducted by Rev. Berryman Green, and the pallbearers were Messrs. Robert W. French, John P. Robinson, J. S. Neale, S. B. Ellery, A. L. Thomas and Patrick Dwyer. The interment was private.

The remains of Theodore Nash, the infant son of Mr. Guy Nash, were brought here today from Washington and interred.

DEATH OF MAJOR BALL.—As stated in yesterday's Gazette, Major Ebenezer Burgess Ball, a relative of General Washington, and who bore a striking resemblance to the general, died in Washington yesterday. He was a grandson of Col. Burgess Ball, who was a cousin of Washington's mother, and was one of the nearest living relatives of the first President. Maj. Ball was best known in Washington during late years through the cigar and tobacco stand which he conducted in the Pension Office. He was 80 at Ball's Bluff, near Leesburg, in 1817, and in that vicinity most of his immediate ancestors had their residence in former years. His remains were taken to Leesburg for interment today.

THE PASSOVER.—Observance of the Jewish Festival of Passover will begin today at sunset, and continue for one week. The holiday commemorates the deliverance of the Jews from Egyptian bondage. In the household the feature of the Passover season is the elimination of all leavened bread. Among the orthodox the Scriptural command that "Seven days shall ye eat unleavened bread; even the first day ye shall put away leaven out of your house; for whosoever eateth leavened bread from the first day until the seventh day, that soul shall be cut from Israel," is most rigidly observed.

ROYAL ARCANUM.—The Grand Council, Royal Arcanum of Virginia, will assemble in its eighteenth session on Tuesday, April 17, in Newport News. Among the officers to be present is Grand Guide R. W. Arnold, of this city.

QUARTERLY MEETING SERVICES.—Quarterly meeting services will be held in the Free Methodist Church, south Lee street, next Sunday evening, tomorrow evening and all day Sunday. Rev. J. W. Tamm, presiding officer will conduct the services. Old fashioned love-feast Sunday afternoon.

The Best Prescription for Chills and Fever is a bottle of GOSV'S TARTARIC CHILL TONIC. It is simply iron and quinine in a palatable form. Price—no pay. 50c.

"No family can afford to be without One Minute Cough Cure. It will stop a cough and cure a cold quicker than any other medicine," writes C. W. Williams, writing from Chicago. It cures coughs, bronchitis and all throat and lung troubles and prevents consumption, Pleurisy and hemorrhages.

EASTER MUSIC.—The music to be rendered by the choir of the Lutheran Church on next Sunday will add very much to the special services to be held on that occasion, as those who will participate have worked assiduously and untiringly for the past several weeks to master the unusually fine selections contained in the programme. The programme and personnel of the choir are as follows: Hymn, No. 112; Gloria, Morsell; hymn, No. 102; anthem, "Christ Arose," Lowry; Shafie Immir Gott ein reines, Herz; Profation, Heilig und Christe du Lamb Gottes, Wiener. Choir: Misses B. Becker, A. Dizonett, R. Apple, F. Becker and L. Apple, and Messrs. L. Bohra, P. Dizonett, F. Dizonett, F. Schoen, E. Hellmuth, C. Polmar, W. Herfurth, G. Herfurth and F. Baer. Organist, Miss Anna Reinacker.

PENSIONS TO EX-CONFEDERATES.—Under the new law passed by the recent legislature concerning pensions to ex-Confederate soldiers, the judge of the Circuit Court appoints a pension board of five persons, three of whom shall be ex-Confederates, who shall meet and organize, and select a chairman and secretary, and hear and determine all pension applications, and report same to the Corporation or County courts, which has them entered in the records of said court and certified to the auditor of public accounts. Judge E. C. Nicol has made the following appointments for this city, viz: F. L. Smith, K. Kemper, J. M. Johnson, Herbert Bryant and Harold Snowden, all ex-Confederates.

RECEPTION.—A reception was tendered last night to Rev. J. A. Jeffers, the new pastor of Trinity M. E. Church, by the congregation. The reception was held in the lecture room of the church, which was prettily decorated. Rev. E. V. Register, of the M. E. Church South, delivered the address of welcome on behalf of the Alexandria clergy, and the address on behalf of the congregation was delivered by Mr. William Pierpont. The address of welcome on behalf of the Epworth League was delivered by Mr. Samuel F. Stokely. Rev. Mr. Jeffers made an appropriate response to the addresses. After the speech-making a musical programme was rendered, during which Misses Lynch and Padgett sang solos.

PERSONAL.—Mrs. Alma Lusher and daughter, of Watertown, N. Y., are visiting Mrs. Charles E. Davis on Payne street.

Capt. Page McCarty, who has been very ill at the Rest for the Sick, in Richmond, went a quiet night and much improved today.

Mr. E. Rosenthal, formerly of this city, was stricken with paralysis a few days since at his home in Washington and is considered in a precarious condition.

Mr. J. A. Marshall and family left today for Atlantic City.

THE TELEGRAPHERS.—There are no new developments in the matter of the strike among the telegraph operators of the Southern Railway. Only the one operator mentioned yesterday has left the company's office in this city and it is said that the places of most of the men between this city and Monroe who left yesterday have been filled. Railroad officials say the strike has caused but little inconvenience and has not interfered with traffic, and they claim that but 10 per cent. of the men have quit work. Only one man has quit work on the Richmond and Danville division.

WILL NOT BE A CANDIDATE.—Mr. L. R. Graybill, of Washington, who last summer passed the examination held in this city for the position of City Engineer, and who on Tuesday last filed his application for that position, made vacant by the resignation of Mr. E. C. Dunn, today withdrew his application, having secured a lucrative position under the government. Under the law before an engineer can now be elected another examination must be held, as there are no names on the eligible list.

THE PLUTO FISHING CLUB has elected for the ensuing year the following officers: Thomas F. Kelly, president; Henry Wise, vice president; William Schoen, treasurer; George Norris, secretary, and John Mills, captain. The club will make their first cruise of the season during the latter part of this month.

G. A. R.—Davis Post, No. 46, G. A. R., had a large and very enthusiastic meeting last night. The usual committees on memorial services for May 30 were appointed and much other business of interest to the post was transacted. It was unanimously decided not to give up the charter.

GOOD FRIDAY.—This is Good Friday, the day commemorating the crucifixion of the Saviour, and the most solemn day in the church calendar. Impressive services were held today in the Catholic, Episcopal and Lutheran churches.

County Court meets on Monday.

Mr. Will Lowry has erected a large grist mill on his lot lately purchased from Mr. John Davis near Annandale.

The surveyors are at work yet on the line for the Great Falls and Old Dominion Railroad, and probably will be for a few days longer, after which the board of directors will take the matter up and decide upon the route.

Our new town hall will be an ornament to the village and a capacious building in every respect, with a hall above and below. It will be completed in a short while, and will be presented to the town by Capt. Jos. E. Willard, with the proviso that the Masons are to have the use of the upper hall as often as their necessities require.—[Herald.]

A WOMEN KILLS ANOTHER.—Miss

Maud King, who resided near Handley, in Kanawha county, W. Va., was shot on Wednesday by a neighbor, Mrs. John Johnston. The shooting was the outcome of an attempt of Miss King to enter the home of Mrs. Johnston for the purpose, as she said, of whipping her. The affair grew out of some trivial talk indulged in by two small sons of Mrs. Johnston. Mrs. Johnston tried to pacify the King woman without success. Then Mrs. Johnston secured a pistol and fired three shots into the air to frighten her away, but she continued advancing toward her, when she fired the fourth shot, striking her in the head. Mrs. Johnston is the wife of a miner. It is reported that Miss King died yesterday afternoon.

He Fooled the Surgeons.

All doctors told Benick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Buckle's Arnica Salve, the surest Pile cure on Earth and the best Salve in a bottle to see how it would affect you. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by all druggists.

The Best in the World.
